

How To Find Us

Our clinic is located at:
Room 6, 73 Ryton Road, North Anston,
Sheffield, S25 4DL.

To the left is the clinic building.

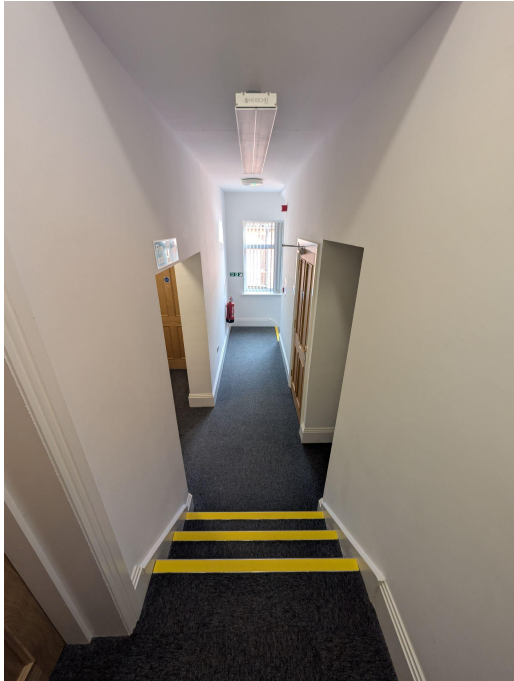

To the left hand side of the building you will find this door.

Please press the intercom labelled with AB Physiotherapy
(6th button from the bottom) on the panel to the left of the
black door.

I will answer as quickly as possible and give you access to
the building.

You will immediately walk up a flight of stairs and arrive
through Door 1 (left hand side of this image). Please then
proceed through Door 2 (right hand side of this image).

Through door two you will come to the top of 3 steps. Go down the steps and take the door on the right hand side of the corridor (after the hallway turnoff)(not office numbered “3”). Immediately after the door you will find a flight of stairs.

Climb the stairs and you will find the waiting area on the landing. Please wait in the chair provided until prompted to enter the clinic for your appointment.
